Ambiente 2024

Clever storage with Westmark

You can't make a mess without making a mess - everyone knows the saying. However, disorganisation (especially) in the kitchen not only looks unattractive, but also causes additional stress. And there is already enough of that. As a manufacturer of kitchen utensils, Westmark has specialised in simplifying all kitchen tasks. This also includes creating a tidy working environment.

To counteract the threat of chaos, great new products have also been added to the range this year:

The new rotating stands, which are supplied as a set with 6 kitchen utensils, ensure a tidy appearance on work surfaces. The carrying handle enables flexible and effortless handling and the kitchen utensils themselves also have ergonomic handles, making them comfortable to work with.

Rotating stand »Gentle«

Rotating stand »Gallant«

Rotating stand »Gallant«, Colour-Edition

The new rotating shelf with non-slip plate surface and the 7-piece spice shaker rondel are also rotatable. Both products allow you to keep your table or cupboards tidy and still have everything you need to hand.

Rotating shelf »Ronda«

Spice shaker with rondel »Lissabon«, Set 7-tlg.
