MADE IN GERMANY

Award-winning in terms of functionality, product benefits and design, it enables small and large cherries to be pitted quickly and effortlessly and therefore helps when preparing cherry jam, liqueur, ice cream, puree or compote as well as when baking delicious cherry cake. An optional collecting container rounds off the product perfectly.

After use, the corer made of easy-care aluminium and PP can be easily cleaned in the dishwasher and stored in any kitchen drawer to save space thanks to the hinge lock.

Cherry stoner »Kerni«

Art.No.: 40022260

Material: Aluminium, PP

Characteristics: • dishwasher safe • Made in Germany •

5 years guarantee • BPA-free

Product information: • modern ergonomic design - suitable for both larger and smaller cherries - robust star-shaped pitting plunger - with collecting container for pits (can be used optionally) - pits cherries even with a stem - then use the pitter without the collecting container and insert the fruit with the stem facing downwards – with hinge lock for space-saving storage

RRP: 14,99 €
